

DUO JULIE & SEBU

Julie Fahrner: vocals

Sebastian Hirsig: piano, synthezisers

This Duo based in Basel/Switzerland exists since 2010 and has since played many concerts (a.o. Blue Balls Young Talent's 2010/2014).

These young musicians play original compositions and carefully chosen jazz standards highly subjectively interpreted. Herefor a piano will be played prepared, the voice used percussively, songs with or without lyrics and electronics as effects for the music. A Duo with a lot of sensibility for sound and it's design. Julie Fahrner and Sebastian Hirsig establish an intimacy to the audience and take them on wonderful musical travels.
